### STORY: Jiffy the Sparrow

Moni, Soni and Jiffy were baby sparrows. They lived in a comfortable nest on a tree. Everyday their mother went out to bring food for them. She told them not to come out of the nest while she was away. Jiffy was very eager to fly. He could not wait to leave the nest. His mother said that his wings were still not strong enough. One day when his mother left, he came out of the nest. He sat on the branch and started flapping his wings. Moni and Soni told him not to go. But Jiffy would not listen. He tried to fly but his tiny wings could not hold him up and he fell down. When his mother returned, she saw him lying on the ground below the tree. His leg was hurt and he was very frightened. She carried him upto the nest. She scolded him for disobeying her and nursed his wound. Jiffy was happy to be back in the nest. He never disobeyed his mother again.
