

Abacus Competition

Excellence in numbers found its expression once again at Shivalik Public School, Mohali, as its talented student Jahanvi of Class IX M secured the 3rd Runner-up Position in the prestigious State-Level Abacus Competition held in Zirakpur (Punjab).

This remarkable accomplishment reflected Jahanvi's exceptional numerical ability, mental agility, and strong determination.

The competition witnessed enthusiastic participation from various schools across the state, where students were tested on their speed, accuracy, and advanced calculation skills. Jahanvi showcased exemplary focus and mathematical aptitude, earning recognition among the top young achievers.

The school management, teachers, and students extended their heartfelt congratulations to Jahanvi for bringing honour to the institution.
