

## BLUE DAY CELEBRATION

# Students enjoy activities designed for Blue Day celebration

The students of classes I and II of **Shivalik Public School, Mohali** celebrated Blue Day. All the children came dressed up in different shades and hues of blue and the classrooms were also decorated with blue balloons. Stu-

dents enthusiastically participated in clay modelling showcasing water animals. They creatively made a colourful aquarium using clay. A short movie on the importance of water and how to conserve it was shown and explained to the kids. Blue, the colour of loyalty, wisdom and strength, had a very positive impact on the students bringing in harmony and brotherhood. Principal Anupkiran Kaur appreciated the effort of the students and further added that these types of activities would be conducted in the future as well.
