READING

A1. Read the passage and answer the following questions-

Books are like doors to a magical world. They are full of stories, facts, and pictures that help us learn and imagine. When we open a book, we can go on an adventure without leaving our room! We can travel to the jungle, visit the moon, or even meet animals all by reading. Books come in many types. Some books are storybooks. They tell us fun tales about heroes, animals, or magical lands. Others are fact books. These help us learn about real things like plants, space, or famous people. Some books have colorful pictures, and others have more words. Reading books every day helps us learn new words, understand new ideas, and become better at thinking. It also helps us write better and speak more clearly. The more we read, the smarter we become!

Q1 Answer the following questions-

a) How does reading help us?

Q2 True/False-

a) Storybooks tell fun tales about magical lands.

Q3 Fill in the blanks-
