

## **PRESS NOTE OF “SHOW AND TELL” ACTIVITY**

### **KINDERGARTEN**

The Kindergarten wing of Shivalik Public School, Mohali organized “Show and Tell” Activity to strengthen the verbal skills and to foster public speaking competency of the young minds.

The students used pictures and toys as props. Students created beautiful masks and headgears. This activity gave each child a chance to be the centre of attention in the virtual classroom as each one spoke a few lines about their favorite animals.

It was amazing to see when students shared some facts about their favourite Animal. They enhanced their creative and speaking skills and emerged as confident speaker. It was so wonderful to see the excitement of our little ones on the screen.

Principal, Mrs Anupkiran Kaur appreciated the efforts made by all the students, parents and the teachers.
