STORY OF THE MONTH
THE THIRSTY CROW

It was a hot summer day. I met a crow on the way. The thirsty crow flew up and down, but there was no water around. He flew here and there, looking for water everywhere.

He found a pot with a little water, not a lot! He saw some pebbles and an idea he got!

He put the pebbles one by one. The water coming up he saw. He drank the water and flew away with a caw,caw,caw!

Moral of the story – Where there is a will, there is a way.
