

## Monthly Planner for October : Class - III

Dear Parent,

October arrives with its gentle breeze and vibrant hues, marking the onset of the festive season. It is a time to rejoice in the victory of light over darkness, wisdom over ignorance, and virtue over vice. This season of togetherness beautifully weaves culture, tradition, and values into a rich tapestry that fills our lives with joy and meaning.

We are delighted to witness the steady progress and accomplishments of our students. Their sincerity and commitment reflect not only in academics but also in their diverse co-curricular pursuits. We sincerely thank you, dear parents, for your unwavering partnership in nurturing and motivating them at home, which greatly contributes to their overall development.

This month, we look forward to celebrating Dussehra and the birth anniversary of Mahatma Gandhi, the Father of the Nation, while guiding our students to embrace the true essence and values these occasions represent. The excitement among children is truly infectious as they gear up to take part in a variety of engaging and enriching experiences planned for the term ahead.

### The Skill of the Month is CREATIVITY

In alignment with the United Nations Sustainable Development Goals, this month highlights

**SDG 5: Gender Equality**, which emphasizes creating equal opportunities and empowering women and girls everywhere.

We are sharing the syllabus to be covered in this month.

| ENGLISH                                                                                                    | EVS                                                   | Math                                                                                                         | HINDI                                                                    | PUNJABI                                                              |
