

Monthly Planner for Class VII

Dear Parent,

Greetings from Shivalik Family!

As we welcome May, it's a perfect time to reflect on our students' progress and look ahead with optimism. This month brings fresh opportunities for learning, growth, and celebration—a season of renewal and continued achievement

The Skill of the Month is COLLABORATION.

We're proud to see our students working together, sharing ideas, and supporting one another. Through group activities, discussions, and projects, they're learning the value of teamwork and building skills for a stronger future.

This month, we focus on two United Nations **Sustainable Development Goals: SDG 8, which promotes decent work and economic growth, and SDG 9**, which encourages innovation, sustainable industry, and resilient infrastructure.

We are sharing the syllabus to be covered in this month:
