

Monthly Planner for class V

Greetings from Shivalik Family!

With the start of this new session comes a sense of excitement and anticipation, as our students dive into the vast ocean of knowledge, ready to explore, learn and grow. It's a time filled with new opportunities, challenges and adventures marking significant transitions as they progress from one class to another.

Challenging ourselves to extend our capabilities in various spheres are the themes this year in the calendar.

- The theme skill of the month is **COMMUNICATION, COLLABORATION**
- The SDGs covered in the month .

The use of communication skills can improve learning outcomes, foster better relationships, and contribute to a positive school environment.

As we progress in the academic session, we will help the children create an awareness and understanding of their abilities-strengths and weakness. This will help them challenge their abilities and become better versions of themselves.
