

# SHIVALIK TIMES

JANUARY, 2025 – MARCH, 2025

# FROM THE DIRECTOR'S DESK

**Mrs. Satwant Kaur Bedi**

**S**ince the dawn of civilization, education has been the foundation of progress and empowerment. Universal access to education is essential, as its absence hinders both individual potential and societal growth. Over the years, Shivalik Public School has remained dedicated to providing a strong academic foundation, crucial for fostering the intellectual and holistic development of our students.

However, education extends beyond the mere acquisition of knowledge—it shapes character and instills integrity. It empowers individuals to fulfil their responsibilities toward society. True education should nurture essential human values such as compassion, tolerance, discipline, and open-mindedness while preserving cultural heritage for future generations. It must integrate the wisdom of the past, the realities of the present, and the aspirations of the future. As we mark 54 years of excellence, we continue to inspire driven, empathetic young minds eager to contribute meaningfully to the world. Our unwavering commitment remains to provide a learning environment that supports both academic success and personal growth.

In today's fast-changing world, where technology influences every aspect of life, education must evolve to prepare students for the complexities of the digital era. To thrive in this global and technologically advanced landscape, students need more than academic expertise—they must develop adaptability, resilience, and creative thinking. As educators, it is our duty to equip them with the knowledge, skills, and experiences necessary to navigate and succeed in an ever-evolving world.

# FROM THE PRINCIPAL'S DESK

**Dr. (Mrs.) Anupkiran Kaur**

I am honored to speak to you from my desk and offer words of encouragement and gratitude.

To our students, you are the lifeblood of our institution. Your passion, curiosity, and thirst for knowledge inspire us all. Remember, education is more than just acquiring facts; it's a voyage of self-discovery, growth, and empowerment.

Embrace every opportunity, challenge yourselves, and dare to dream big. Believe in your potential, for you hold the key to greatness.

Parents, you are our indispensable partners in shaping your children's future. Your steadfast support, guidance, and involvement in their education make a profound impact. Thank you for entrusting us with the task of nurturing their minds and spirits. Let's continue working hand in hand to provide them with the finest learning journey possible.

In our quest for excellence, let's not overlook the significance of fostering a conducive, 21<sup>st</sup>-century learning environment. We dwell in an era of unparalleled progress, where technology and innovation mold our world. It's our responsibility to equip our students with the skills, knowledge, and mindset to navigate this swiftly evolving terrain with confidence.

As we embark on this venture, I assure you of our institution's unwavering commitment to embracing innovation, nurturing creativity, and fostering a spirit of collaboration. We'll persist in investing in state-of-the-art resources and technologies to enrich the learning experience and prepare our students for the challenges and opportunities ahead.

I urge everyone to remain resilient, adaptable, and open-minded. Let's confront the future with courage, determination, and a shared aspiration for excellence. Together, we'll forge a learning environment that empowers our students to become lifelong learners, critical thinkers, and compassionate global citizens.

# FROM THE VICE PRINCIPAL'S DESK

**Dr. (Mrs.) Teena Chopra**

***The more expansive the realm of knowledge and creativity, the greater the horizon of curiosity.***

**I**magination and creativity are the driving forces behind progress, inspiring students and promoting their intellectual development. These traits should be embedded in every aspect of the educational process.

The world is evolving at an unprecedented rate, and we must acknowledge that we are preparing young people for a complex and continuously changing environment. As such, education in the 21st century must equip students with the ability to adapt to change with creativity.

To succeed in today's world, students need to become effective communicators, inventive creators, sharp critical thinkers, and versatile collaborators.

Modern education should encompass a comprehensive understanding of global competencies. Beyond familiarizing students with diverse cultures and international communication, they must be taught how to apply their knowledge to become active, engaged citizens of the world.

At Shivalik, we believe that education is the perfect balance of intellect and character. We strive to help our students unlock their full potential while nurturing positive social behavior, shaping them into responsible global citizens

**VICE PRINCIPAL**

# EDITOR'S NOTE

*"The role of a writer is not to say what we all can say, but what we are unable to say" - Anais Nin*

It is with great enthusiasm that we welcome you to this latest edition of our school newsletter. As we turn the pages of this issue, we invite you to embark on a journey through the accomplishments, experiences, and dynamic spirit that define our school community.

Education is not merely about academics—it is a continuous process of learning, evolving, and growing. Our institution has always been a beacon of excellence, innovation, and holistic development. In this edition, we proudly present a glimpse into the heart of our school, where each day brings new opportunities for exploration and success.

At the core of our institution lies a commitment to fostering an environment where students not only achieve academic milestones but also develop essential life skills. This newsletter showcases the diverse talents of our students, from academic excellence to artistic expression, athletic achievements, and social initiatives. Each endeavour reflects our unwavering dedication to shaping well-rounded individuals who are prepared to thrive in an ever-changing world.

The strength of our school lies in the collective efforts of our students, teachers, and staff, supported by the encouragement of parents and the wider school community. Their contributions and collaboration make our institution a nurturing space where potential is unlocked and aspirations take flight.

Through these pages, you will find inspiring stories of perseverance, creativity, and teamwork—narratives that celebrate the spirit of learning and growth. As we navigate the challenges of the modern era, our commitment to education remains steadfast, ensuring that our students are empowered to embrace the future with confidence.

We extend our heartfelt gratitude to everyone who contributes to the success of our school. Your support and belief in our vision make all the difference. With optimism and determination, we look forward to even greater milestones ahead.

**Warm regards,**

**Ms. Mamta Yadav**

# EDITORIAL BOARD

Dear Shivalikians,

We are delighted to present the latest edition of the Shivalik Public School, Mohali magazine! This publication reflects the dedication, creativity, and hard work of our students and faculty.

Within these pages, you will find a vibrant collection of insightful articles, creative writing pieces, and reports on school events and achievements. Each contribution showcases the spirit of excellence that defines Shivalik Public School.

This edition also highlights various activities and special occasions, celebrating the diverse talents and accomplishments of our students.

We appreciate your continued support and enthusiasm. Happy reading! Warm regards,  
The Editorial Board

# DEMONSTRATION OF KNOWLEDGE AND CREATIVITY

## Demonstration (CLASS IX)

An engaging series of academic demonstration was hosted on January 15<sup>th</sup>, 16<sup>th</sup>, 17<sup>th</sup> 2025, featuring the talents of students of Class IX. The event was designed to provide students with a platform to exhibit their academic knowledge, creativity, and public speaking skills.

Each section then presented a range of topics across various subjects. Highlights included an English role play on the story "The Fun They Had," where students brought the curriculum textbooks to life through dramatizations and group discussions. Hindi presentations featured a recitation of poem titled as "गिल्लु" from the textbooks, while Punjabi students captivated the audience with a play on "ਵਹਿਮੀ ਤਾਇਆ."

In the Mathematics segment, students demonstrated their understanding of complex topics such as basics of Circle, Arc of a Circle, Tangents to the Circle, Theorems Related to Chords of Circle through interactive presentations. The Science presentations were equally impressive, with students conducting experiments on Understanding Buoyancy. Social Science presentation on Democracy, further enriching the educational experience.

The event also featured special segments, moral stories that conveyed important life lessons and counselor's talk on self awareness by Ms. Saireema, which encourage students to reflect on their personal development. The event concluded with a heartfelt vote of thanks by the Principal, acknowledging the hard work of students, teachers, and parents.

The event concluded on with Class IX students presenting beautifully crafted 'Thank-you' cards to their parents, expressing gratitude for their unwavering support and encouragement. This gesture symbolized the strong bond between students, parents, and the school, reinforcing the values of appreciation and respect.

### **Demonstration (Class XI)**

To promote overall development among students, a series of academic demonstrations was organized on January 17 and 21 January, 2025, featuring the talents of students of Class XI. The event was designed to provide students with a platform to exhibit their academic knowledge, creativity, and public speaking skills. The program began with the School Shabad and prayer, creating a reflective atmosphere. The program featured an array of engaging activities across different subjects:

**Accountancy:** A hands-on demonstration of GST using props, simplifying complex concepts for practical understanding.

**Business Studies:** Creative presentations on forms of business organization, showcasing their significance in real-life scenarios.

**Economics:** An insightful session on the concept of demand, illustrating market behavior effectively.

**English:** An interactive literary discussion coupled with role-playing activities to enhance communication skills and creativity.

**Physical Education:** A dynamic fitness workshop highlighting the importance of teamwork and physical health in holistic development.

Adding to the event's value, a special talk on self-awareness was conducted by counsellor Ms. Saireema, encouraging students to reflect on their strengths and personal growth while equipping them with tools for a positive mindset.

Speaking on the occasion, Principal Dr. AnupKiran Kaur expressed her pride in the initiative, stating, "Our goal is to nurture not only academic excellence but also emotional and physical well-being, preparing our students to face future challenges with confidence."

# Road Safety: A Responsibility, Not A Choice

To create awareness about road safety measures, the school organized a special assembly on 20 January 2025. The assembly aimed to educate students about traffic rules, defensive driving, and the importance of adhering to road safety protocols.

The event began with a brief introduction to road traffic safety, focusing on essential topics such as the proper use of vehicle lights and beams, weather-related precautions, and rules related to traffic signals, overspeeding, and overtaking.

Ms. Ishita, addressed the students and emphasized the importance of following traffic signals and rules for their safety. Ms. Amanjot also encouraged the students to adopt responsible behavior on the roads.

The students of Class IX actively participated by spreading awareness through thought provoking presentations, speeches, and a 'Word of the Day' activity.

The assembly concluded with the National Anthem, leaving the students motivated to practice and promote road safety in their daily lives.

# ***From Dreams to Reality: Student Success Stories***

## **From Words to Wonders: Declamation Competition 2025**

Sana, a talented student, showcased her exceptional oratory skills at the Declamation Competition held at Shastri Model School, Phase-1, Mohali. The competition brought together students from various schools, aiming to inspire young minds through powerful speeches and thought provoking ideas.

Sana delivered a captivating declamation on the topic "***Life Teachings of Swami Vivekananda.***" Her speech eloquently highlighted Swami Vivekananda's philosophy of self-confidence, dedication, and service to humanity.

With her remarkable articulation and in-depth

understanding of the topic, Sana left the audience and judges deeply impressed.

The event not only allowed students to share their perspectives but also served as an inspiration to imbibe the timeless teachings of Swami Vivekananda in daily life.

## **Pariksha Pe Charcha – 2025**

### ***A Thought-Provoking Quiz on Exam Readiness***

Tripta, a Class IX student brought pride to the institution by securing the third position in a prestigious Quiz Competition held under the "*Pariksha Pe Charcha 2025*" program.

The competition, organized by Kendriya Vidyalaya Sangathan at PM SHRI Kendriya Vidyalaya, Sector 80, Mohali. The event aimed to foster academic excellence and critical thinking

And a positive approach towards exams.

Tripta's remarkable performance reflects her dedication, knowledge and problem solving skills, making her an inspiration for fellow students.

## Sur Tarang : Young Talents Shine at Elysian

Sur Tarang: The Wave of Melody, an inter-school music competition hosted by The Knowledge Bus Global School. The event brought together talented young performers, showcasing their musical prowess and passion for melody.

Shivalik students delivered outstanding performances across various categories, earning accolades for their talent and dedication.

Armaanvir Singh, Class IX B, received a Special Mention in Raag Ratna (Group 3)  
Harianash Khaira achieved the 2nd Prize in Raag Yugma (Group 7)

The management and faculty extend their heartfelt congratulations to all participants for their hard work and commendable achievements. The school remains committed to encouraging artistic excellence and providing platforms for students to showcase their talents.

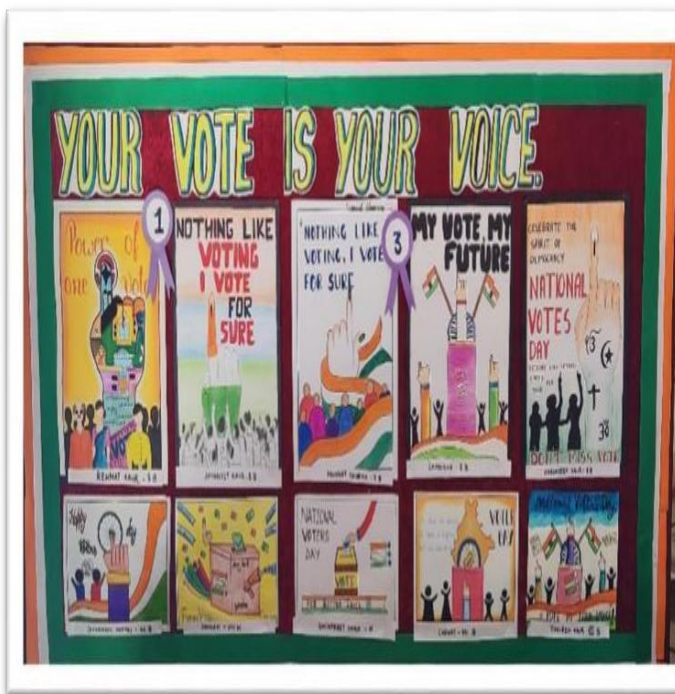

# Celebrating, Knowledge, Culture, and Patriotism

## Voter's Day: Empowering Citizens, Strengthening Democracy

National Voter's Day has been celebrated on January 25 every year since 2011, all across the country to mark the foundation day of the Election Commission of India, i.e., 25th January 1950. The main purpose of the NVD celebration is to encourage, facilitate, and maximize enrollment, especially for new vote.

Presentations were shown to the students, dedicated to the voters of the country.

Additionally, students actively participated by making creative and informative posters, highlighting the Importance citizens in the electoral process. The day was utilized to spread awareness among voters and promote informed participation in the electoral process. The students' efforts in making posters were appreciated, as they creatively conveyed the message of responsible voting to their peers.

## Republic Day: Honoring the Spirit of Democracy

Celebrated the 76h Republic Day of India on January 26, 2025, with great zeal and enthusiasm. The event featured a variety of activities, including enlightening speeches, poems, patriotic songs, and role plays by students, creating a euphoric ambiance. The celebrations commenced with the unfurling of the National flag by the honorary Chief Guest, Principal SIER Dr. Jyoti Soni, followed by a parade by energetic students of Class 7.

The program included speeches in English, Hindi, and

Punjabi regarding the making and making and importance of the Indian Constitution. Students from different classes presented patriotic songs, energetic dance medleys, and poetic recitations, showcasing their enthusiasm and concern for the motherland. The entire atmosphere was filled with gusto and pride for the nation, highlighted by a mock parliament session by Class 9 students. The Honourable Principal, Dr. Anup Kiran Kaur, spoke eloquently about the diverse nation and the importance of the Constitution, inspiring students to be resolute in achieving their goals. The special certificate of honour brought by Group Song Students. The certificates were also awarded to NCC cadets for their unbelievable

## National Science Day Celebration

### *Innovation for a better tomorrow*

A series of events were organized to promote scientific thinking and innovation, aligning with the theme *"Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat."*

#### **Day 1: PowerPoint Presentation on National Science**

**Day 28<sup>th</sup> February 2025**

The celebrations commenced with a PowerPoint presentation prepared by students and teachers, highlighting the significance of National Science Day and its theme. The presentation showcased the contributions of Indian scientists and the importance of scientific advancements in daily life.

#### **Day 2: Talk on Eminent Scientists and Speech on Artificial**

**Intelligence 1<sup>st</sup> March 2025**

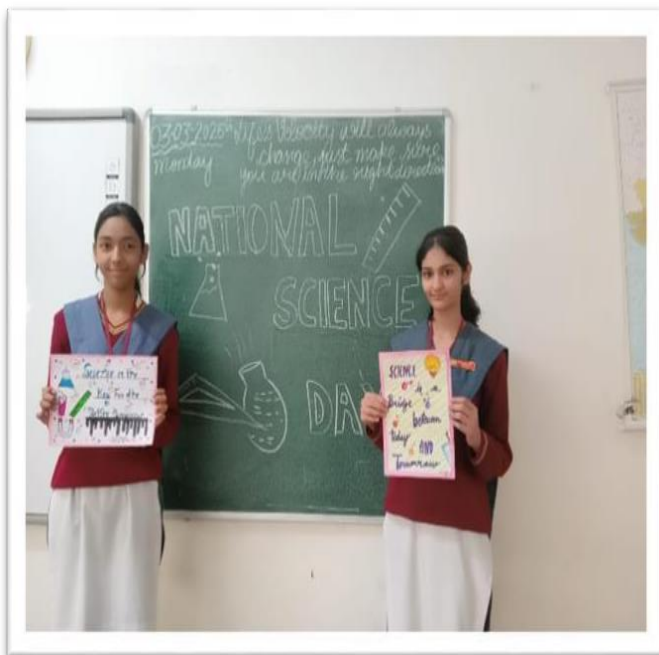

Students delivered insightful talks on renowned Indian scientists, including Dr. C.V. Raman, Dr. A.P.J. Abdul Kalam, Dr. Homi Bhabha, and others. They elaborated on their contributions to science and technology, inspiring young minds.

### Day 3: Slogan Writing and Poster Making

#### Activity 3<sup>rd</sup> March 2025

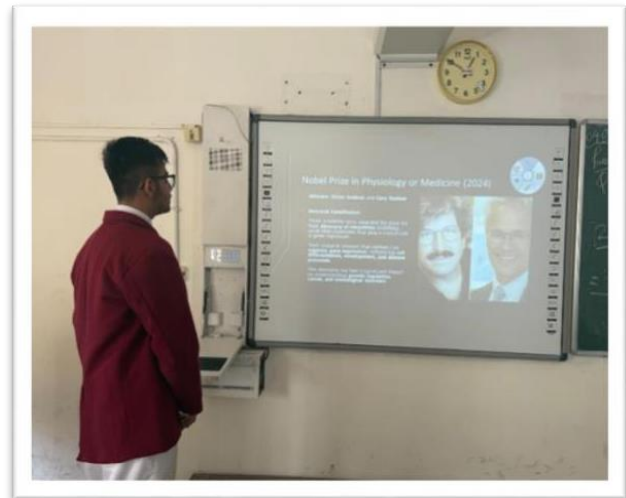

A Slogan Writing and Poster Making Competition was conducted to encourage creativity and scientific awareness. Students enthusiastically participated, crafting thoughtprovoking slogans and visually appealing posters based on the Science Day theme. The best entries were displayed on the school notice board and appreciated for their innovative ideas.

## Day 4: PowerPoint Presentation on Scientific

### Innovation 4<sup>th</sup> March 2025

The celebrations concluded with a PowerPoint presentation aimed at igniting curiosity and interest in scientific innovation. It featured groundbreaking discoveries, emerging technologies, and inspiring stories of inventors. The session motivated students to think critically and explore scientific solutions to real-world challenges.

The National Science Day celebrations not only enhanced students' knowledge of science and technology but also instilled a spirit of inquiry and innovation. The event left a lasting impact, encouraging young minds to pursue scientific excellence and contribute to a brighter future.

# Valediction Ceremony

The Valediction Ceremony 2025 to bid a warm and affectionate farewell to the outgoing Class XII students. The event began on a spiritual note with the recitation of the School Shabad.

A special tribute was paid to the Founder Director of the School, Mr. D.S. Bedi, in recognition of his visionary leadership, unwavering dedication and immense contribution to the institution. The students and staff expressed their heartfelt gratitude for his guidance and commitment to nurturing young minds and shaping the future of education.

Sana Nahar of Class XI extended a warm welcome to everyone with her speech, setting the tone for the celebration. This was followed by a vibrant medley of performances by Class XI students, including self-composed poems, speeches, and electrifying dance performances that captivated the audience.

The event also featured fun-filled games, with winners being awarded exciting gifts.

Adding to the emotional moments, the Head Boy and Head Girl shared their experiences and expressed deep gratitude towards their teachers, school, and juniors for making the day unforgettable. As a token of remembrance, each Class XII student was presented with a souvenir.

The event reached its pinnacle with the announcement of special titles. Mishthi Piplani was honored as Ms. Shivalik, while Akshat was bestowed with the title of Mr. Shivalik. Ikshita was recognized as Ms. Personality, and Rajrattan was awarded Mr. Personality. Their achievements were celebrated with great enthusiasm and applause.

The event concluded on an emotional yet joyous note, as students bid farewell to their beloved school, teachers, and friends. With hearts filled with gratitude and eyes brimming with dreams, the Class XII batch of 2025 stepped forward to embrace new opportunities and challenges, carrying with them the cherished memories and invaluable lessons from their school years.

# THE TRUE MEASURE OF A STUDENT'S SUCCESS

*"We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet." – Swami Vivekananda*

Character is the foundation of a student's life. While academic excellence is important, it is character that shapes a person's destiny. A student with strong moral values, discipline, and integrity will not only achieve personal success but also contribute positively to

society. Knowledge without character is like a sharp sword in the hands of a child—it can do more harm than good. True education is not just about acquiring facts but about developing virtues that make a person responsible, honest, and compassionate.

"Books may teach what minds can  
store, But character builds  
forevermore.

A heart that's kind, a soul so  
true, Will light the path in all  
we do."

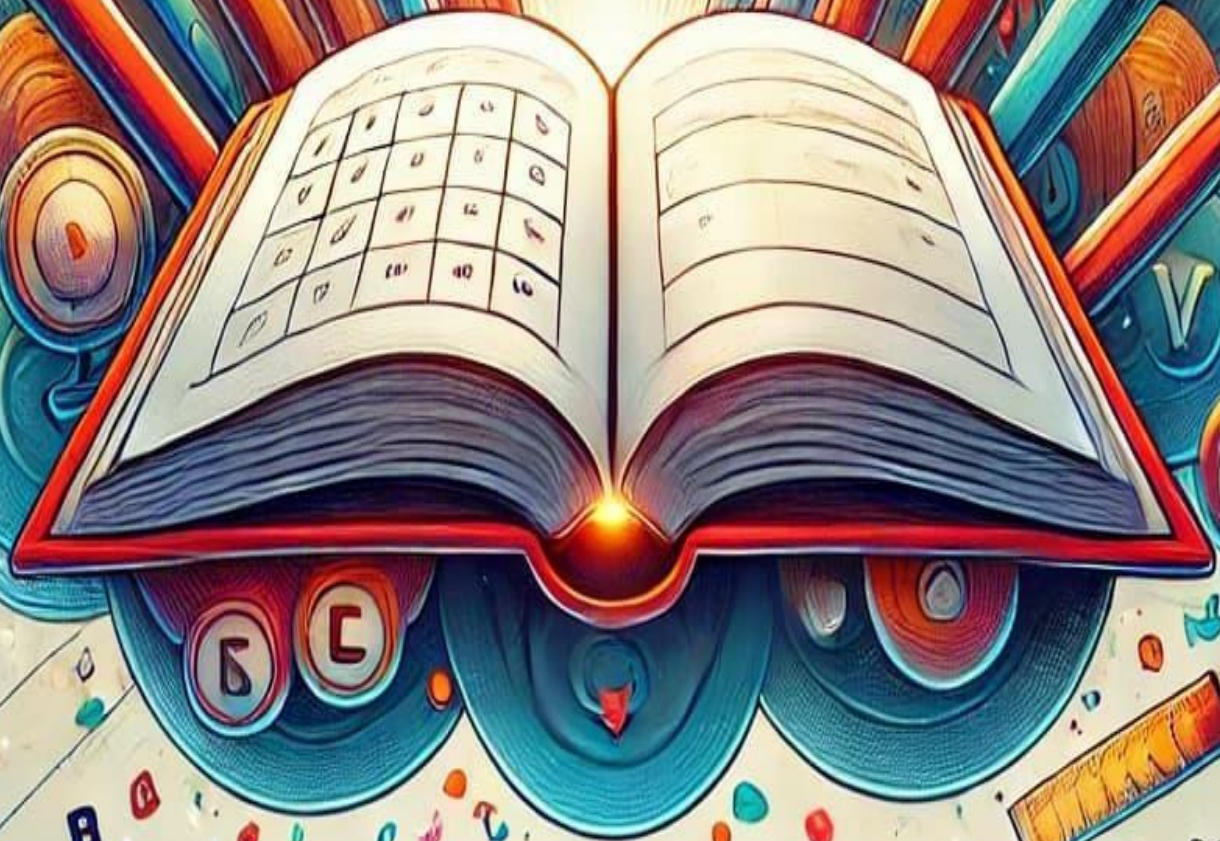

A strong character helps students build a path to success through ethical means. Hard work, perseverance, and honesty ensure that achievements are meaningful and long-lasting. A student who is disciplined and committed to their goals will always be respected, whereas shortcuts and dishonesty may bring temporary rewards but lead to failure in the long run. As Albert Einstein rightly said, "Try not to become a person of success, but rather try to become a person of value." Success without values is hollow, but success built on integrity is truly rewarding.

In conclusion, character is the true measure of a student's potential. Academic knowledge may open doors, but it is character that determines how one utilizes those opportunities. As Helen Keller beautifully said, "Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, ambition inspired, and success achieved." Schools, families, and communities must work together to instill strong moral values in students, ensuring that they grow into responsible, ethical, and compassionate individuals who contribute positively to society.

MIDDLE SCHOOL

# CLASSES VI-VIII VII

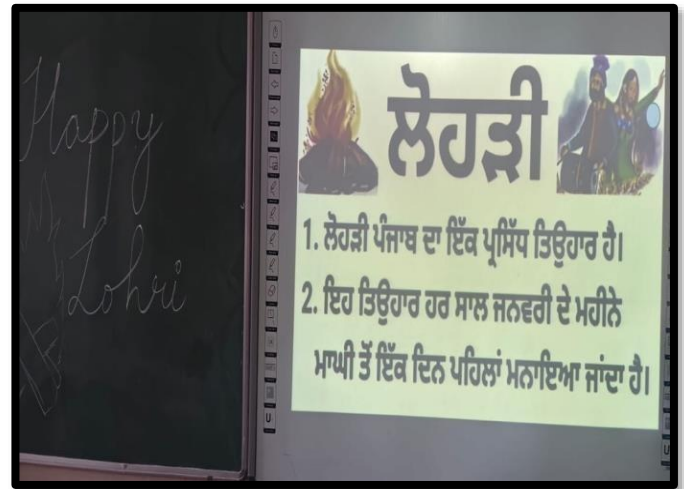

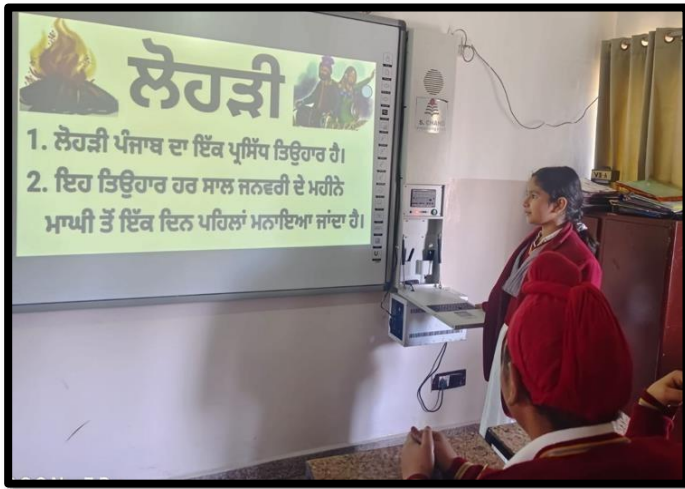

LEARNING TODAY, LEADING TOMORROW

# Echoes of Celebration and Courage

## LOHRI AND MAKAR SAKRANTI ACTIVITY

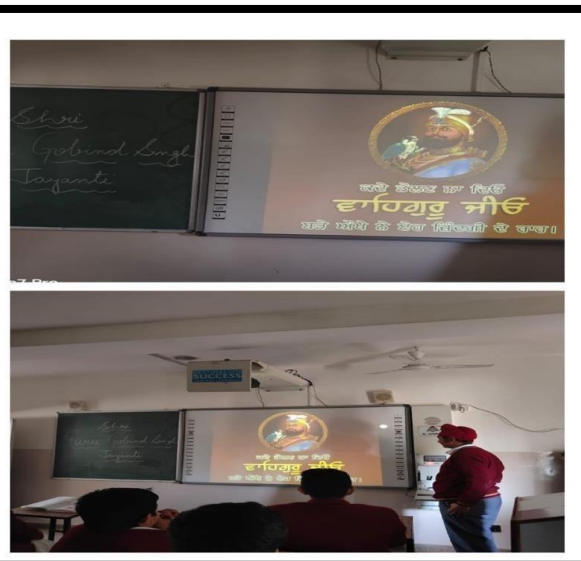

On January 13, 2025, the warmth of Lohri spread cheer among Classes VI to VIII, as students came together to celebrate the festival with joy and enthusiasm. Students were told about importance of Lohri celebration through Powerpoint presentation. Students also presented Poems and songs related to Lohri. The poems highlighted the significance of the festival which marks the beginning of the harvest season.

## SHRI GURU GOBIND SINGH JAYANTI CELEBRATION

The school celebrated the 353<sup>rd</sup> birth anniversary of Shri Guru Gobind Singh, the tenth Sikh Guru, with great fervor and devotion.

The celebration was done through special assembly, where students presented speeches, poems to highlight the life and teachings of Guru Gobind Singh Ji.

# One Nation, One Vision

## REPUBLIC DAY CELEBRATION

The school celebrated 76<sup>th</sup> Republic Day with remarkable zeal and Patriotic fervor. The event eloquently showcased India's cultural diversity and the values enshrined, in its constitution, as students and teachers came together as to commemorate significance of this historic day.

As part of the further pride adding to the occasion, our NCC Cadets participated in a district level march past at Government School, Phase-6 Mohali.

The cultural program at the school was equally vibrant, featuring multilingual poetry, speeches, Powerpoint presentations and dance performances.

This celebration was a testament to the dedication of the students and staff and their unwavering commitment to the ideals of the Republic Day, and their efforts to instill a sense of national pride and unity.

# Innovate, Celebrate, Participate

## EXPERIENTIAL LEARNING

### **'DEMONSTRATION AND EVALUATION PROGRAMME'**

The school organized 'Demonstration and Evaluation Programme' that aimed at improving the interpersonal skills of the students. During this evaluation programme, the students performed various activities related to different subjects.

## VOTER'S DAY

Voters' Day was marked with great enthusiasm, focusing on the vital role of voting in a democracy. The event began with a PowerPoint presentation (PPT) showcasing the history and significance of voting, followed by a Nukkad Natak (street play) that creatively depicted voter awareness, emphasizing the need to eliminate apathy and ensure informed participation. A slogan-writing competition was also held, where participants crafted impactful messages promoting electoral responsibility. The celebration aimed to inspire citizens, especially the youth, to exercise their voting rights. The event concluded with a pledge to uphold democratic values and encourage 100% voter turnout.

## ROSE FESTIVAL HELD AT PUNJAB UNIVERSITY

The students of class VIII participated in Rangoli and Painting competition in the 14th Punjab National Rose Festival, held at Punjab University.

Participants competed in Rangoli and Painting competitions in the 9 to 15 years category, impressing judges with their artistic expressions.

Among the winners, Chetna Nath of VIII M secured the third position in Rangoli, while Rehmat Kaur and Mannat Sharma earned consolation prizes for their beautiful designs.

The festival, held at Prof. R.C. Paul Rose Garden and Old Convocation Ground, provided a vibrant platform for young artists to shine. It was an enriching experience, fostering creativity and appreciation for the arts.

## NATIONAL SCIENCE DAY

National Science Day was celebrated with great enthusiasm, inspiring young minds to explore the wonders of science. The event featured a quiz competition for Class 6 students, testing their knowledge of scientific concepts in a fun and engaging manner. Class 7 students presented PowerPoint presentations (PPTs) on famous scientists and groundbreaking discoveries, enhancing their research and presentation skills. Class 8 students performed exciting experiments, demonstrating scientific principles through hands-on activities. The celebration aimed to foster curiosity, innovation, and a love for science among students. The event concluded with a motivational speech on the importance of scientific thinking in daily life.

Arnav Ranjan and Sejal Negi of Class VII-A showcased their innovative application “EDUSWAP” on the occasion of National Science Day.

# The Power of Reading: How Books Shape Our Minds

Reading is an essential activity that has the power to shape our thoughts, perceptions, and understanding of the world. Books, in particular, hold the ability to influence minds in profound ways. From expanding knowledge to enhancing creativity and emotional intelligence, reading fosters a deeper connection to ourselves and others. Here are several key ways in which books shape our minds:

## **1. Boosting Creativity and Imagination**

Books, especially works of fiction, have the ability to transport readers into different worlds. These stories engage the imagination and encourage creative thinking. When readers visualize settings, characters, and events, they are actively exercising their creative minds. Fiction often challenges us to think outside the box, solve problems, and develop alternative perspectives, which nurtures our creative potential.

## **2. Developing Emotional Intelligence**

Through characters' experiences and narratives, books allow readers to explore human emotions in a safe, reflective environment. This connection to characters' feelings, struggles, and growth can help readers develop greater empathy and emotional intelligence.

## **3. Improving Communication Skills**

Reading regularly can improve both verbal and written communication skills. As readers encounter different writing styles and vocabularies, they are able to adopt new ways of expressing themselves. Additionally, books help readers understand the nuances of language, such as tone, metaphor, and figurative speech, enhancing their ability to communicate more effectively.

## **4. Increasing Focus and Concentration**

In an age dominated by technology and distractions, reading a book requires focus and sustained attention. Immersing oneself in a story or learning from a non-fiction work forces us to focus on one task at a time, helping improve concentration levels. Regular reading can, over time, train the brain to focus better and for longer periods, a skill transferable to other areas of life.

## **Conclusion**

Books have the power to shape our minds in ways that extend far beyond entertainment or education. They have the ability to expand our knowledge, enhance our cognitive abilities, and stimulate our creativity. Through reading, we not only learn about the world but also gain insights into our own thoughts, emotions, and potential for growth. The act of reading is an invaluable tool for nurturing a well-rounded, open-minded, and empathetic individual, ultimately shaping our minds to be more thoughtful, curious, and compassionate.

TRAILBLAZERS' ZONE -  
ENCOURAGING YOUNG  
LEARNERS TO EXPLORE  
AND LEAD.

THE ART OF COLOR

# Little Stars, Big Celebration

## Highlighting the Spirit of Lohri

The Primary Wing of Shivalik Public School, Phase 6, Mohali, celebrated Lohri with great zeal and enthusiasm. To enhance the creativity of the students, poster making activity was held within the school premises. Through this activity, students showcased their hidden talent and their creative side. The Lohri celebration also featured energetic speeches, poems and dance performances, highlighting the significance of Lohri celebration and its cultural importance.

# ROAD SAFETY WEEK

## RESPECT TRAFFIC RULES, PROTECT LIVES

To promote awareness about road safety, students from Classes III to V participated in various activities during Road Safety Week held from January 18 to January 25. The activities aimed to educate young minds about the importance of following traffic rules and staying safe on the road.

Class 3 students wrote essential traffic rules on creative posters, helping them understand road safety rules better. Class 4 students showcased their creativity by drawing different road signs, helping them recognize important symbols used in traffic. Meanwhile, Class 5 students designed informative and colorful posters to spread awareness about safe road practices.

These activities not only made their learning fun but also encouraged students to be responsible pedestrians and future drivers.

# ANNUAL SPORTS DAY

## Champions in the Making: Annual Sports Day Celebration

The Primary Wing of the school celebrated its Annual Sports Day with great enthusiasm on 21st January 2025. Nearly 500 students participated in various events. The occasion was graced by Dr. (Mrs.) Anupkiran Kaur, Principal, and Dr. (Mrs.) Jyoti Soni, Principal, Shivalik Institute of Education and Research, Mohali. The school was honored by the esteemed presence of Chief Guest, Dr. Ginni Duggal, D.E.O of S.A.S Nagar, who praised the students' performances and appreciated the school's dedication to holistic development.

The event began with the lighting of the sports torch, flag hoisting, and an oath-taking ceremony, followed by a march past by Class V students. The students showcased vibrant drills with dumbbells, lazius, hula hoops, and aerobics, while 100 students performed yoga asanas, promoting fitness and discipline.

The event began with the lighting of the sports torch, flag hoisting, and an oath-taking ceremony, followed by a march past by Class V students. The students showcased vibrant drills with dumbbells, lazius, hula hoops, and aerobics, while 100 students performed yoga asanas, promoting fitness and discipline.

The students captivated the audience with their energetic performances during the sports events, including the 100m race, 50m race, lemon race, and hurdle race. A fun Musical Chairs activity for teachers added to the excitement. Students showcased strength, teamwork, and determination throughout the event. The celebration concluded with a medal ceremony, where outstanding athletes were honored. Principal Dr. (Mrs.) Anupkiran Kaur congratulated the participants and encouraged students to make exercise and sports a part of their daily routine.

# REPUBLIC DAY CELEBRATIONS

## PROUD TO BE INDIAN

The Primary Wing of the school celebrated Republic Day with great enthusiasm, helping students understand the historical significance of this day. On January 24, 2025, a Creative Writing activity was conducted, where Class 3 students wrote about 'Why We Celebrate Republic Day', Class 4 shared their thoughts on How to Be Responsible Citizens and Class 5 highlighted Fundamental Duties.

The celebration continued on January 25, 2025, with students expressing their love for the nation through patriotic poems, songs and dance performances, making the event meaningful and inspiring for all.

## MATHEMATICS QUIZ

With the aim of enhancing precision, logic and creativity the school, organised '*Inter-Section Mathematics Quiz*' for Class III students on February 21, 2025. This activity not only inculcated mathematical skills but also promoted a spirit of healthy competition among students. The event featured multiple rounds, designed to test mathematical concept, problems, solving abilities and logical reasoning. Prize winners were awarded prices in recognition of their outstanding performance.

The Guest of Honor, Dr. Jyoti Soni, Principal of Shivalik Institute of Education and Research, congratulated the winners and all participants. She emphasized the importance of developing strong mathematical skills and encouraged students to continue exploring and excelling in the subject.

## SPELL BEE COMPETITION

An Inter-Section Spell Bee Competition for Class V was conducted to enhance the vocabulary and spelling skills of the students. The competition aimed to encourage correct pronunciation, improve word usage, and develop confidence in both oral and written expression.

The quiz featured seven engaging rounds, including pronunciation of words, search engine, brain booster, and picture identification. Students showcased their linguistic abilities and quick thinking throughout the competition.

Vice-Principal, Dr. (Mrs.) Teena Chopra, appreciated the efforts of the participants and teachers. She emphasized the importance of listening, speaking, reading, and writing skills, encouraging students to continue expanding their vocabulary and language proficiency.

# PLAY EXTRAVAGANZA

Students of Classes III to V put up a spectacular Play extravaganza from February 24, 2025 to February 28, 2025 showcasing their theatrical acting skills with confidence and enthusiasm. The event provided a platform to the students to overcome stage fear, boost self-confidence and enhance their dramatic skills.

Various plays were presented on themes like The King's Lost Heir, The Story of Amrita, The Unhappy Princess, The Peacock and the crane, Save water-Save life, Choices within, Pinocchio, The Magical Apple Tree and The Power of Friendship. Best performers were recognised for their outstanding and impactful performance.

# NATIONAL SCIENCE DAY

## From Curiosity to Creation: Celebrating Science

National Science Day was commemorated with a series of engaging and thought-provoking activities aimed at nurturing scientific curiosity among students. The celebration honored the legacy of Dr. C.V. Raman, whose groundbreaking discovery of the Raman Effect revolutionized the field of science.

The theme for National Science Day 2025, *"Empowering Indian Youth for Global Leadership in Science and Innovation for Viksit Bharat,"* was at the heart of the celebrations, inspiring students to explore the limitless possibilities of scientific advancements and their role in shaping a self-reliant and technologically advanced India.

A PowerPoint presentation was shown to Class 3 students, while Class 5 students conducted hands-on experiments, making learning interactive and fun. The key highlight of the event was the Inter-Section Science Quiz for Class 4, where students showcased their scientific knowledge and problem-solving skills with great enthusiasm.

# A RISING STAR IN ATHLETICS

Sukhleen Kaur, a Class 5 student of Shivalik Public School, Mohali, has excelled in athletics, winning multiple medals in prestigious competitions. Her recent gold in the Under-11 100m race at the Punjab Rural Olympic Games (Jan 31 – Feb 2, 2025) highlights her talent.

## Key Achievements:

- Chandigarh State Championship - Gold Medal in 4x25m Relay
- District Athletics, Mohali - Bronze Medal in Long Jump
- District Athletics, Mohali - Bronze Medal in 100m Race
- Chandigarh State Championship - Gold Medal in 60m Race
- Sangrur State Championship - Participation in 60m Race
- State Primary School Games - Silver Medal in 400m, Gold Medal in 200m
- Kila Raipur Sports Festival - Gold Medal in 60m Race
- Chandigarh North District Championship - Gold Medal in 100m Race

Principal Dr. Anupkiran Kaur congratulated her on her remarkable achievements.

# Holistic Development: Nurturing Every Aspect of a Child's Growth

*"Education is not just about filling a pail, but lighting a fire." – William Butler Yeats*

True education goes beyond academics; it shapes young minds, nurtures character, and prepares students for life's challenges. At Shivalik Public School, Mohali, we emphasize holistic development, ensuring that children grow intellectually, emotionally, socially, physically, and morally.

## **Intellectual Growth: Encouraging Inquiry and Innovation**

Learning should be dynamic and engaging. Our curriculum promotes critical thinking, creativity, and problem-solving through interactive lessons, project-based learning, and STEM activities. We encourage students to ask questions, explore possibilities, and develop a love for lifelong learning.

## **Emotional and Social Well-being: Building Confident Individuals**

A child's emotional intelligence is key to their overall success. Through storytelling, mindfulness activities, and social interactions, we help students develop self-awareness, empathy, and resilience. Classroom discussions, peer learning, and leadership opportunities foster confidence and teamwork.

## **Moral and Ethical Values: Shaping Responsible Citizens**

Education must instill strong moral values. Through value-based learning, community service projects, and house activities, we nurture a sense of honesty, kindness, respect, and social responsibility in students. These values help them grow into compassionate and ethical individuals.

## **The Balanced Approach to Education**

At Shivalik Public School, we provide a supportive and stimulating environment where students can explore their potential across academics, extra-curriculars, and character development.

Let's work together to create not just learners, but leaders of tomorrow!

# CLASSES I-II

**1.HINDI CALLIGRAPHY** - Hindi Calligraphy Competition was conducted on 10th January 2025 for Class 2 students. The event aimed to nurture and appreciate the beauty of handwriting while instilling discipline and creativity in young learners.

## RESULT OF THE ACTIVITY

STUDENT NAME	SECTION	POSITION
1.PRAGATI	II-B	I st
2.MUDIT	II-C	Ist
3.YASHIKA	II-A	IIInd
4.SANVI	II-S	IIIrd
5.PRABHAS	II-M	IIIrd

**2. LOHRI AND MAKAR SAKRANTI ACTIVITY** – Lohri and Makar Sakranti was celebrated by class 1 and 2 on 13 January,2025.Students enjoyed by singing Punjabi Cultural and folk songs marking the end of winter season . Students drew beautiful 3 D kites and handprinting of bonfire joyfully to ignite the feeling of happiness and understood the importance of harvest festival.

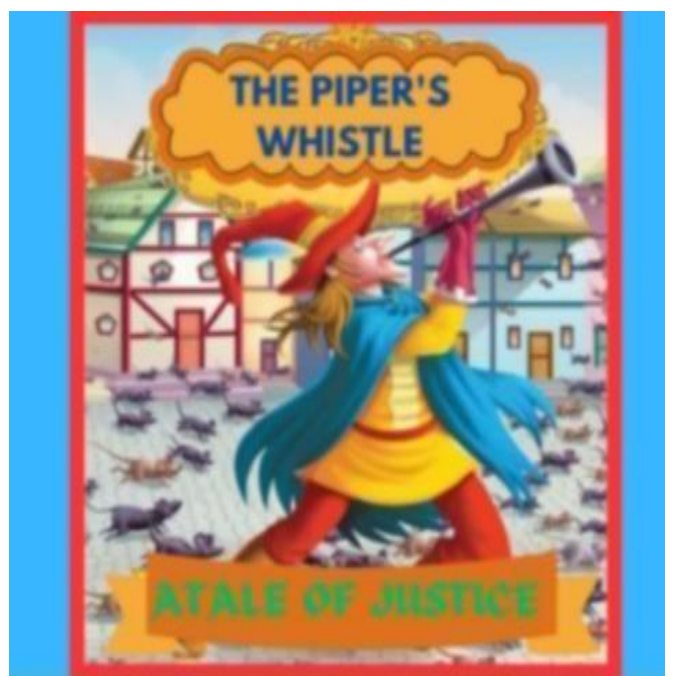

**3. ANNUAL SPORTS DAY** – Classes 1 and 2 organised Annual Sports Day enthusiastically on the theme Republic Day. The School playground was filled with great zeal, excitement and frolicsome atmosphere on 24 January 2025 .The celebrations began with flag hoisting followed by March Past by the students of class II . The students displayed a wide array of colourful and reverberant events. The programme ended with a grand finale showcased all the national symbols.

**4. REPUBLIC DAY CELEBRATION** - Class 1 and 2 celebrated 76 th Republic day to mark India's commitment, justice, liberty, equality and fraternity. Children drew beautiful kites and raised the nation flag high to show their love for their country.

**5. MUSICAL PLAY** - A musical play was presented by the students of classes 1 and 2 section wise with 100% participation. The energetic students performed on the themes "The Piper's Whistle - A tale of justice and "Mowgli's New World". depicting the message of following the path of honesty and inculcating the habit of keeping our environment clean and green.

# Importance of Self-Discipline for Kids

*"Discipline is the bridge between goals and accomplishment."*

– Jim Rohn

As , I often reflect on the values we instill in our students during these formative years. One of the most powerful qualities we can nurture in our children is **self- discipline**. It is a cornerstone for success—not just in school, but in life.

Self-discipline is more than just following rules; it's about teaching kids to control their impulses, make responsible decisions, and stay focused on their goals. In a world filled with distractions, the ability to stay

disciplined is a skill that will serve them well in all aspects of their lives. But why is it so crucial?

## 1. Fosters Responsibility

Self-discipline helps children understand that their actions have consequences. When kids learn to manage their behavior and make thoughtful decisions, they become more accountable for their choices. This creates a sense of responsibility that is essential for personal growth and positive relationships.

## 2. Teaches Time Management

One of the greatest benefits of self-discipline is its role in time management. As children develop the ability to prioritize tasks, they learn to balance schoolwork, activities, and rest. These time management skills set them up for success in their academic careers and beyond, helping them manage busy schedules and make thoughtful choices about how they spend their time.

## 3. Enhances Emotional Control

Self-discipline isn't just about managing actions—it's also about managing emotions. When children learn to pause and reflect before reacting impulsively, they gain better control over their feelings and behavior. This emotional regulation fosters stronger relationships, reduces conflict, and builds emotional intelligence.

Welcome to  
KINDERGARTEN

# FIRST STEPS SCHOOL

## 1. "Little Flames of Joy: A Lohri Celebration"

Lohri celebrations: Lohri is a celebration of life, culture, and community, marking the beginning of a new cycle of growth and prosperity.

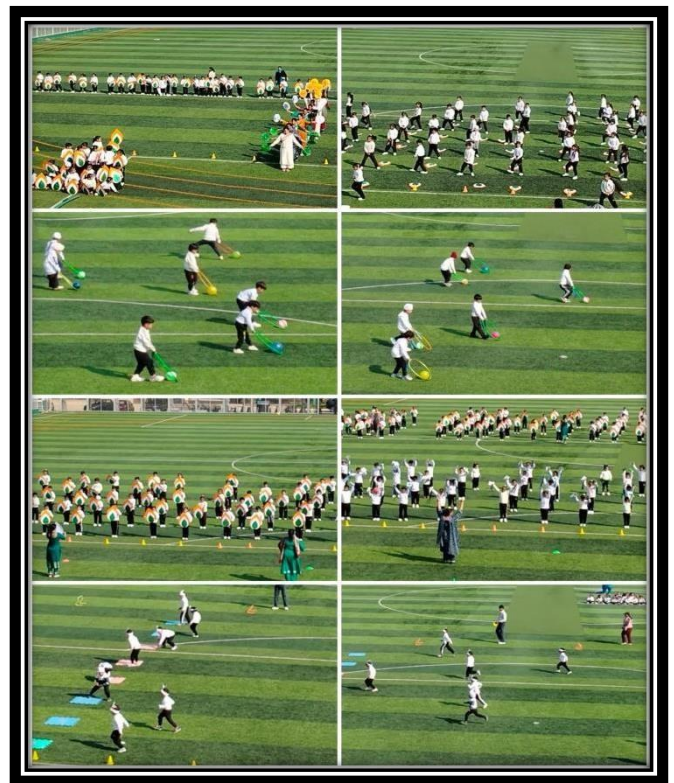

This Lohri "Bonfire Colouring" and Basket Making activity was organized in the Kindergarten wing. It was a great way to celebrate the festival of Lohri. This festival celebrates the winter solstice and marks the shortest day of the year. Bonfires are a popular way for the festival to be celebrated. These activities will enhance the fine motor skill set of the child but also give them a chance to express their creativity.

## 2. "Tiny Champs on the Move: Annual Sports Extravaganza"

The kindergarten section celebrated its Annual Sports Day with great enthusiasm and patriotic fervor. The event showcased the energy and talent of the little ones as they participated in a variety of activities designed to promote physical fitness, teamwork, and national pride.

The highlight of the event was the mesmerizing drill performance by the tiny tots using tricolor props, symbolizing the spirit of unity and patriotism. The young performers, dressed in vibrant costumes, by holding saffron, white, and green props representing the colors of the Indian national flag. Various engaging and age-appropriate games were organized ensuring every child's participation.

After an exciting day filled with engaging games such as Ball Race, Hoolahoop race, Bunny race, the event culminated in a spectacular and stirring performance grand finale presented by the dedicated teachers.

### 3. Melodies in Motion: A Magical Musical Play

A celebration of talent and creativity unfolded as young performances took the stage to present two delightful musical plays - *'The Rainbow Fish'* performed by the LKG students and *'Heal the Earth'*, presented by the KG students.

The LKG students brought to life the story of *The Rainbow Fish*, an enchanting tale about friendship, sharing, and kindness. With vibrant costumes, catchy tunes, and energetic performances, the play emphasized the importance of selflessness and the joy that comes from spreading happiness with others.

In a beautiful display of environmental awareness, the KG students performed *'Heal the Earth'*, a musical dedicated to the preservation and protection of our planet. Through lively songs, dances, and engaging dialogues, the children conveyed an important message about caring for nature, reducing pollution, and working together to protect the environment. The performance was both educational and entertaining, leaving a lasting impression on everyone.

# Musical Role-Play in Kindergarten: A Fun and Engaging Way to Learn

*"Music gives a soul to the universe, wings to the mind, flight to the imagination, and life to everything." – Plato*

Musical role-play is a powerful and engaging teaching strategy that enhances early childhood learning by combining music, movement, and imaginative play. It allows young learners to express themselves freely while developing essential cognitive, social, and emotional skills. In a kindergarten setting, musical role-play transforms learning into an interactive and joyful experience, making lessons more memorable and meaningful.

## **Cognitive and Social Benefits**

Musical role-play helps children develop essential language and listening skills by encouraging them to follow cues, repeat phrases, and respond to musical beats. It strengthens early literacy and numeracy concepts by incorporating rhymes, patterns, and counting rhythms.

## **Emotional and Physical Development**

Music is known to have a profound impact on emotions, and when combined with role-play, it provides children with a safe space to express their feelings. The physical aspect of musical role-play, such as dancing, clapping, and using simple instruments, improves motor skills, balance, and coordination, making it a holistic learning approach.

## **Integrating Musical Role-Play in Kindergarten**

At our kindergarten, we incorporate musical role-play into daily activities through story-based musicals, action songs, rhythm-based storytelling, and themed dramatic play. Children love acting out fairy tales, enacting their favourite community helpers through song, and using props to enhance their musical role-playing experiences. This approach not only keeps them engaged but also fosters a lifelong love for learning, music, and creative expression.

"At our kindergarten, we have successfully incorporated musical role-play into storytelling sessions like The Little Red Hen for Nursery, The Rainbow Fish for LKG and Heal the Earth for KG. These engaging activities not only make learning enjoyable but also help children develop confidence, creativity, and a deeper understanding of important values through music and role-playing.

**Coordinator: Kindergarten**

**Block C**

*Dear Students,*

As your school doctor, my primary goal is to help you stay healthy, safe, and ready to learn. Your health plays a significant role in how you perform academically and how much you enjoy your time at school. That's why I'd like to share a few simple yet important tips to help you take care of yourself every day.

## **1. Healthy Eating: Fuel Your Brain**

What you eat affects how you think, feel, and perform in school. Start your day with a nutritious breakfast, including whole grains, fruits, and proteins. Avoid excessive sugary snacks and drinks during the day—they may give you a quick energy boost but can lead to a crash later. Instead, snack on fruits, nuts, or yogurt to stay energized.

## **2. Prioritize Sleep**

Sleep is essential for your brain to process what you've learned during the day. School-aged students need about 7-9 hours of sleep per night. To improve your sleep quality, turn off screens at least an hour before bedtime and create a calming bedtime routine.

## **3. Stay Hydrated**

Dehydration can make you feel tired and less focused. Carry a water bottle and sip water throughout the day. Avoid excessive caffeine in drinks like sodas or energy drinks, as it can disrupt your sleep and make you jittery.

## **4. Mental Health Matters**

Feeling stressed, anxious, or overwhelmed is common, especially during exams or when managing multiple responsibilities. Remember, it's okay to ask for help. Talk to a trusted adult, teacher, or counselor if you're struggling.

Remember, taking care of your health isn't just about avoiding sickness—it's about feeling your best and making the most of your time at school. If you ever have questions or concerns about your health, feel free to visit MI room.

Stay Well

# "Sound Health, Sound Mind: Your Guide to Well-Being"

In a world that often feels fast-paced and competitive, kindness and compassion stand as two of the most powerful and transformative qualities a person can possess. These traits not only foster strong relationships but also contribute significantly to our emotional well-being and mental health. As a psychologist, I have witnessed first hand the profound impact of kindness on individuals and communities alike. When practiced consistently, kindness and compassion create a ripple effect that can uplift societies and promote lasting harmony.

## **Why Are Kindness and Compassion Important?**

Kindness and compassion go beyond simple acts of politeness; they represent a fundamental understanding of others' emotions and struggles. Studies in psychology suggest that acts of kindness release oxytocin, which enhances mood and strengthens social bonds. Moreover, showing compassion reduces stress and anxiety, promoting overall psychological resilience.

On a societal level, kindness fosters cooperation and unity, reducing conflicts and misunderstandings. It is no coincidence that some of the most revered figures in history—Mahatma Gandhi, Mother Teresa, and Martin Luther King Jr.—are remembered for their immense compassion towards others. Their legacies remind us that even in challenging circumstances, kindness can inspire change and bring about social justice.

## **The Lasting Impact of Kindness and Compassion**

When individuals cultivate kindness, they contribute to a more positive and supportive society. It can also lead to lower levels of bullying and conflict, creating an environment where people feel safe, valued, and understood.

As we navigate through life, let us remember that kindness is never wasted. Even the smallest act can make a significant difference in someone's life. By choosing to be compassionate, we not only improve our own well-being but also contribute to a world that is gentler, more inclusive, and full of hope.

# Unlocking Potential: Building Confidence in Students with Special Needs

*"The greatest glory in living lies not in never falling but in rising everytime we fall."*

As a special educator, I firmly believe that confidence is the foundation upon which all other skills are built, and that it is essential for students with special needs to develop a strong sense of self-worth and self-confidence.

## **The Importance of Confidence**

Confidence is not just a feeling; it is a skill that can be developed and strengthened over time. When students

with special needs feel confident, they are more likely to:

1. Take risks- Confidence gives students the courage to try new things, even if they might fail.
2. Persist in the face of challenges: When students feel confident, they are more likely to stick with a task, even when it gets difficult.
3. Develop a growing mindset: Confidence helps students to believe that they can learn and grow, and that mistakes are an opportunity for growth.

## **Strategies for Building Confidence**

As a special educator, I have found the following strategies to be effective in building confidence in students with special needs:

1. Positive Reinforcement: Focus on praising students for their efforts and accomplishments, rather than criticizing their mistakes.
2. Break Tasks into Smaller Steps: Large tasks can be overwhelming, but breaking them down into smaller, manageable steps can help students feel more confident and in control.
3. Provide Opportunities for Success: Give students the opportunity to experience success by providing tasks that are challenging, but achievable.
4. Encourage Self-Advocacy: Teach students to express their needs and wants, and to advocate for themselves in a respectful and assertive manner.

## **Conclusion**

Building confidence in students with special needs is a critical part of their educational journey. By using positive reinforcement, breaking tasks into smaller steps, providing opportunities for success, encouraging self-advocacy, and fostering a growing mindset, we can help students develop the confidence they need to succeed. As special educators, we have the power to create a supportive environment that fosters confidence, growth, and success.

### स्कूल में अंग्रेजी कविता पाठ का आयोजन

संवाद सहयोगी, जगद • मोहली: शिवालिक पब्लिक स्कूल के छात्रों के कक्षा के बच्चों ने शिक्षकों के मार्गदर्शन में कार्यक्रम का आयोजन किया। कार्यक्रम में शैक्षणिक प्रतियोगिता, रचनात्मकता और समग्र विकास का जहन मनाया गया। कार्यक्रम की शुरुआत स्कूल के दिनेश शोष ने बाले शब्द से हुई। छात्रों ने विविध गतिविधियों, अंग्रेजी में कविता पढ़ाई और व्यावहारिक व्याख्यान प्रस्तुतियों के माध्यम से बौद्धिक विकास का प्रदर्शन किया, जबकि हिंदी और अंग्रेजी में विचारोत्तेजक गद्य और सांस्कृतिक अन्वेषण किया। मस्ती को

और बढ़ाने के लिए, बहुमुखी विजली के केंद्र और डिजिटल तथ्यमान आदि पर अभिनव प्रदर्शनों के माध्यम से गणित और विज्ञान की अवधारणाओं को प्रस्तुत किया गया। सामाजिक विज्ञान के छात्रों ने उद्योगों पर अवलोकन कक्षा और इंटरैक्टिव भूमिका निभाई। कला और कंप्यूटर के लिए रचनात्मक एप्लिकेशन और साइबर सुरक्षा पर एक ज्ञानवर्धक सत्र क्रमांक: डिजाइन किया गया था। स्कूल प्रिंसिपल डा. अनुप किरण कौर ने आभार जताते हुए अभिभावकों का आभार व्यक्त किया, जिससे कार्यक्रम का हार्दिक समर्थन हुआ।

The school organized an English Poetry Recitation Competition. The event showcased the students' talent and creativity in English. The competition was held in the Mathematics segment, where students demonstrated their understanding of complex topics such as the basics of circle, arc of a circle, and theorems related to chords of circle through their presentations. The school principal, Dr. Anupriya Kaur, lauded the efforts of the young participants and emphasized the importance of English in fostering communication skills and overall development.
