

Budding Orators Shine in Show and Tell Competition at Shivalik Public School

Date: April 30, 2025

Shivalik Public School, Mohali, turned into a vibrant stage of creativity and expression on April 30, 2025, as Class 3 students participated in an exciting Show and Tell Competition. The event served as a powerful platform for young learners to voice their ideas, build confidence, and explore the art of storytelling.

With enthusiasm and imagination on full display, students brought a wide range of objects to life—ranging from toys, fruits, and books to computer parts and models of the solar system. Each child presented their chosen item with remarkable clarity, weaving in thoughtful insights and personal connections.

The competition was not just about speaking—it was about sharing, connecting, and discovering the joy of expression. It also helped nurture essential life skills such as public speaking, creativity, and self-confidence in a safe and encouraging environment.

Outstanding performers were recognised with Best Performer badges, celebrating their flair and dedication. These accolades served as a motivation for all students to continue exploring their potential.

Principal Dr. Anupkiran Kaur applauded the efforts of the participants and appreciated the initiative taken by the faculty to promote experiential learning. She emphasized that such opportunities are integral to the holistic development of students and help lay the groundwork for effective communication and leadership.

The event concluded on a high note, leaving students, teachers, and parents inspired by the talent and enthusiasm of these young stars.
