

# World Heritage Day Celebration

To commemorate World Heritage Day, Shivalik Public School, Mohali, organized an enriching and educational experience for students of Classes 3 to 5 on April 18, 2025. A virtual tour of famous Indian monuments was conducted to instill awareness and pride in our rich cultural heritage.

Students explored iconic landmarks such as the Taj Mahal, Qutub Minar, Red Fort, Konark Sun Temple, and Hampi, among others, through engaging visuals and narratives. The virtual journey helped students understand the historical significance and architectural marvels of these monuments.

The activity not only deepened students' knowledge of India's glorious past but also inspired them to value and preserve our national heritage. The session concluded with a short quiz and discussion to reinforce learning and encourage student participation.

Principal Dr. Anupkiran Kaur appreciated the efforts of the teachers and encouraged students to take pride in India's cultural wealth. She emphasized the importance of preserving historical sites and staying connected to our roots.

It was a meaningful celebration that connected young minds with the essence of India's diverse and vibrant history.
