

## Monthly Planner for Class IV

Dear Parent,

Greetings from Shivalik family!

As we welcome May, it's a perfect time to reflect on our students' progress and look ahead with optimism. This month brings fresh opportunities for learning, growth, and celebration—a season of renewal and continued achievement

### **The Skill of the Month is COLLABORATION.**

We're proud to see our students working together, sharing ideas, and supporting one another. Through group activities, discussions, and projects, they're learning the value of teamwork and building skills for a stronger future.

This month, we focus on two United Nations **Sustainable Development Goals: SDG 8, which promotes decent work and economic growth, and SDG 9**, which encourages innovation, sustainable industry, and resilient infrastructure.
