

# Monthly Planner for Class - IV

Dear Parent,

Greetings from Shivalik family!

Welcome to the vibrant month of July. July marks the midpoint of the year a perfect time to reset, refocus, and realign our goals as we move forward with purpose and positivity.

## The Skill of the Month is SUSTAINABILITY

Sustainability, is designed to help students develop important skills like responsibility, critical thinking, and problem-solving while learning how to care for our planet. Through this focus, they will build habits that promote respect for the environment and thoughtful decision-making.

In July, we're focusing on two key United Nations Sustainable Development Goals:

\* SDG 1: No Poverty – Exploring how we can create fair opportunities for everyone and support communities in overcoming poverty.

\* SDG 2: Zero Hunger – Learning how to ensure everyone has access to enough safe and nutritious food through smart choices and sustainable practices.

We are sharing the syllabus to be covered in this month:

ENGLISH	HINDI	PUNJABI	MATHS	EVS
