

Informative and Engaging Orientation for Students and Parents

Shivalik Public School, Phase 6, Mohali organized Annual Orientation Program tailored for both students of Middle Stage (Classes 6th - 8th) and the parents. The event provided a comprehensive introduction to the school's Ethos, Academic curriculum, Support services, School app and much more. The orientation day was a resounding success, thanks to the collaborative efforts of the dedicated faculty, staff and parents. Their commitment to creating a welcoming and supportive environment was evident throughout the event.

Parents and students received an overview of the school's culture, values and commitment to academic excellence. Faculty members provided insights into the school's academic curriculum, highlighting key subjects, learning outcomes and opportunities for academic enrichment and support. Virtual tour of the school campus showcased the state-of-the-art facilities, Sports facilities and NCC trainings. Furthermore, Information about activity period that includes Skill Courses (Coding and Artificial Intelligence), Mass PT, Mass singing and Club Activities was also given. In addition to this, parents were made aware about the various labs that the school has like the Math's lab, English lab, Science lab, 3-D lab and ATL lab giving students a hands on learning experience and providing an immersive experience about all the subjects.

In her concluding address, Principal, Dr. (Mrs.) Anupkiran Kaur, reiterated the school's focus on empowering each student to reach their fullest potential. She guided the students to make concerted efforts to refine their skill set.
