## STORY: -

### THE THIRSTY CROW

It was a hot summer day. I met a crow on the way. The thirsty crow flew up and down, but there was no water around. He flew here and there, looking for water everywhere. He found a pot with a little water, not a lot! He saw some pebbles and an idea he got! He put the pebbles one by one. The water coming up he saw. He drank the water and flew away with a caw, caw, caw!
