Hungry Caterpillar

Once there was a hungry caterpillar. He started to look for some food. On Monday he ate an apple, but he was still hungry. On Tuesday he ate kiwi, but he was still hungry. On Wednesday he ate strawberries, but he was still hungry. On Thursday he ate guavas, but he was still hungry. On Friday he ate lemons, but he was still hungry. On Saturday he ate grapes. That night he had a stomach-ache then. The next day was Sunday again. The caterpillar ate one nice green leaf and after that he felt much better. Now he was not hungry anymore. Also, he was a big and fat caterpillar now.
