## STORY

### THE LION AND THE COWS

Once upon a time, there lived four cows in the forest. They grazed fresh grass. They were best friends.

One day a lion saw the cows grazing together. The lion wanted to eat them. When the cows saw the lion, all of them fought with him. The lion had to run.

A few days passed and the cows fought among themselves and started grazing separately. One by one the lion killed all of them.

Moral: "Unity is Strength".
