Tel. No.: 0172-2990615, e-mail: shivalik78mohali@gmail.com

UNDERTAKING

We have carefully reviewed the books prescribed by the school, ensuring that NCERT textbooks are used in all classes and subjects where they are available. For subjects where NCERT textbooks are not available, we have meticulously selected books from private publishers, taking extreme care to ensure that no content is included that could offend or harm the sentiments of any class, community, gender, or religious group in society. Additionally, the school book list for all classes is available on the school website.
